BY-LAWS OF THE TOWNSHIP OF RALEIGH.

No. 653—A BY-LAW

To provide for the formation of a new School Section in the Township of Raleigh, and to alter the boundaries of School Sections Nos. 7 and 9, and Union School Section No. 5.

WHEREAS certain ratepayers of the locality hereinafter described, have petitioned the Municipal Council of the said Township of Raleigh, to form a new School, Section, to be composed of parts of existing School Sections Nos. Seven, Nine and Union School Section No. Five.

And whereas, it has been made to appear that all persons to be affected by the proposed formation of a new section, or by the alteration or division of existing sections, have been duly notified in manner provided by the resolution of Council in that behalf passed on the Sixth day of April, 1896, and that all the requirements of the Public School Act have been duly complied with.

Therefore, the Municipal Council of the Corporation of the said Township of Raleigh, enacts as follows:—

1. A new School Section shall be formed to be composed of the lots or parts of lots hereinafter described, that is to say:—S $\frac{1}{2}$ of s hf of lot six, s hf of lot seven, in the twelfth concession. s hf lot three, lots four, five, six, seven, s hf eight, s hf nine, and s hf ten in the Thirteenth concession, lots three, four, five, six, seven, n 100 acres eight, n 100 acres nine and n 100 acres ten in the Fourteenth Concession.

2. The lots or parts of lots described in the next preceding section are hereby detached from School Sections Numbers Seven, Nine and Union School Section No. Five respectively, and the boundaries of the said School Sections are hereby altered to conform with the said next preceding section.

3. The said new School Section shall be known as School Section No. Fifteen.

4. Charles Dunbrook is hereby appointed to call the first school meeting, and give the Statutory notices therefor.

5. All By-laws or parts thereof, heretofore passed, which are inconsistent with this By-law are hereby repealed.

6. This By-law shall take effect on, from and after the Twenty-fifth day of December, A.D. 1896.

Read a third time and finally passed this Twentieth day of April A. D. 1896.

J. G. STEWART, Clerk.

(Seal.)

H. J. MORRISON, Reeve.

No. 654—A BY-LAW

To provide for the repair, improvement and maintenance of drainage works in the Township of Raleigh, in the County of Kent, known as Mud Creek Drain and Indian Creek Drain, and for borrowing on the credit of the municipality the sum of \$1243 09, being the proportion to be contributed by the said municipality for completing the same.

PROVISIONALLY ADOPTED the 20th day of January, 1896.

WHEREAS, Mud Creek drain and Indian Creek drain are Drainage Works originally constructed under the provisions of Acts then in force respecting drainage by local assessment.

AND WHEREAS, certain owners of lands assessed for the said Drainage Works have given notice that their lands are injuriously affected by overflows from Mud Creek drain, which has its outlet in the lower part of Indian Creek drain :

AND WHEREAS, it was deemed expedient for the better maintenance of said drains, and to prevent damage to lands and roads, to enlarge or otherwise improve the said drains, and with that object the council of the Township of Raleigh appointed W. G. McGeorge, O. L. S., (being a person competent for such purpose), to examine and report upon the same, which appointment has been confirmed by by-law of the said Township of Raleigh.

AND WHEREAS, the said council has procured an examination to be made by the said W. G. McGeorge of the said drains, and of the area affected by the proposed work and of the lands and roads liable to assessment under the Drainage Act, 1894, and has procured plans, specifications and estimates of the said Drainage work to be made by the said McGeorge, and an assessment to be made by him of the lands and roads to be benefitted by such Drainage work, and of other lands and roads liable for contribution thereto, stating as nearly as he can the proportion of benefit, outlet liability and injuring liability which, in his opinion, will be derived or incurred in consequence of such Drainage work, by every road and lot or portion of lot ; the said assessment so made, being the assessment hereinafter set forth as part of the report of the said engineer, together with that hereinafter by this by-law enacted to be assessed and levied upon the roads and lots or parts of lots hereinafter in that behalf specially set forth and described, the description, extent and estimated cost of the work to be done and the amount to be contributed therefor by each municipality affected by the Drainage work, being fully set forth in the report of the said W. G. McGeorge, hereinafter set forth, and the said report of the said W. G. McGeorge in respect thereof and of the said Drainage works being as follows :

CHATHAM, 26th December, 1895.

To the Reeve and Municipal Council of the Township of Raleigh :

GENTLEMEN,—Having received your appointment to examine and report on Mud Creek drain, and also on Indian Creek drain and any necessary outlets, extensions, alteration or other improvement I may consider

necessary therein, with power to make an examination of the area to be drained and the water courses to be improved, and prepare a report, plans, specifications, and estimates of such drainage works as I may propose or recommend, and to make an assessment of all lands, roads, parties and municipalities assessable therefor in any way under the Drainage Act, 1894, I beg to report that I have made such examination.

I find the Mud Creek Drain very much out of repair and inefficient, and that it will be necessary to repair it and enlarge it to accord to the data furnished on the profile and plan accompanying this, my report, and to the specifications herein, the branch drain being diverted at the west side of Mr. Frederick's lane on N $\frac{1}{2}$ lot 22, in the Second con. of Raleigh, to the 1st and 2nd concession's road and along the south side of this road to the main drain, thereby taking the drain into firmer ground for its better maintenance, and at a very slight increase in cost.

A change of course is also made in the main drain between stations of my survey 25 and 28, where the drain is very crooked and nearly filled up, this is to give the water a better run.

I also find the Indian Creek Drain very much out of repair, and that it will be necessary to enlarge and improve it to conform to the data furnished on the profile of the Indian Creek Drain accompanying this, my report, and to the plan and specifications for the draining of the lands in the vicinity and to afford an outlet for the Mud Creek Drain, and such improvement will necessarily afford an improved outlet for other drains flowing into it. The Indian Creek Drain is a continuation of the Gregory Drain into which a large area of land in Raleigh and Harwich is drained, and the Mud Creek Drain enters it from the West, where the land is low and the fall is slight. Lands adjoining the Indian Creek Drain are seriously flooded at times, and the flooding extends along the Mud Creek Drain.

The Indian Creek Drain as required to be improved, extends, as shown upon the plan, and as now on the ground, on lot 24, in the 3rd concession of Raleigh, and across the line between Raleigh and the City of Chatham, through lot 24, in 2nd concession, City of Chatham, formerly in Raleigh, and across Queen street in said City, and on the 2nd and 3rd concessions road, formerly in Harwich, now in said City, and through lot 1, in said 2nd concession, now in said City, formerly in Harwich, and through lots 2 and 3, in the 2nd concession of Harwich, and on through part of 3, in the 3rd concession of Harwich, to McGregor's Creek. Concessions are in the River Thames survey.

I estimate the cost of the work as follows:

Mud Creek Drain and Branch, from stake 0 to stake 10, a distance of 60 rods, at \$1.25 per rod.....	\$ 75 00
From stake 10 to stake 28 $\frac{1}{2}$, a distance of 110 rods, at \$1.00 per rod..	110 00
	\$ 185 00
Mud Creek Main Drain, from stake 0 to stake 10, a distance of 60 rods, at \$1.40 per rod.....	\$ 84 00
From stake 10 to stake 20, a distance of 60 rods, at \$1.25 per rod....	75 00
From stake 20 to stake 30, a distance of 60 rods, at \$1.40 per rod....	84 00
From stake 30 to stake 40, a distance of 60 rods, at \$1.50 per rod....	90 00
From stake 40 to stake 50, a distance of 60 rods, at \$1.60 per rod....	96 00

From stake 50 to stake 60, a distance of 60 rods, at \$1.60 per rod....	96 00
From stake 60 to stake 70, a distance of 60 rods, at \$1.70 per rod....	102 00
From stake 70 to stake 80, a distance of 60 rods, at \$2.25 per rod....	135 00
From stake 80 to stake 86½, a distance of 40 rods, at \$2.00 per rod....	80 00
	\$ 312 00

AND WHEREAS the said Council are of opinion that the said work of repair, enlargement and improvement is desirable.

AND WHEREAS, the amount to be contributed towards said work by the Town of Oshawa is the sum of \$705.54; and by the Township of Markham is the sum of \$1519.82; and by the Town of Blenheim is \$16.97; and whereas, the total estimated cost of said work is \$3706.95, the balance of which, namely, \$1464.62, is to be contributed by the Township of Markham.

Therefore the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of the Drainage Act, 1894, enacts as follows :

1. The said report, plans and specifications, assessment and estimates are hereby adopted, and the drainage work as therein enacted and set forth, shall be made and constructed in accordance therewith.

2. The Reeve of the said Township of Raleigh may borrow on the credit of Corporation of the said Township of Raleigh the sum of \$1243.09, being said municipality's proportion of the funds necessary for the said improvement, and may issue debentures of the corporation to that amount in sums of not less than \$50 each, and payable within five years from the date hereof, with interest at the rate of five per centum per annum, that is to say, in five equal annual payments, such debentures to be payable at the

Canadian Bank of Commerce, in the City of Chatham, in the County of Kent.

3. For paying the sum of \$409.37 the amount charged against the said lands for benefit, and the sum of \$332.75, the amount charged against the said lands for outlet liability, apart from roads belonging to or controlled by the municipality, and for covering interest thereon for five years at the rate of five per centum per annum, the following total special rate over and above all other rates, shall be assessed, levied and collected (in the same manner and at the same time as other taxes are levied and collected) upon and from the undermentioned lots and parts of lots and roads in and under the jurisdiction of the Council of the Township of Raleigh, and the amount of the said total special rates and interest against each lot or part of lot respectively, shall be divided into five equal parts and one such part shall be assessed, levied and collected as aforesaid in each year for five years after the final passing of this By-law during which the said debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh, for the repair and improvement of the Mud Creek Drain and Branch, and for the repair and improvement of the Indian Creek Drain as amended by Court of Revision and Judge.

Concession	Lot or Part Lot.	Acres.	Assessed Owner.	Val of benefit for the Mud Creek Drain and Branch.	Val of outlet liability for the Mud Creek Drain and Branch.	Value of benefit for the Indian Creek Drain.	Value of outlet liability for the Indian Creek Drain.	To cover interest for 5 years at 5 per cent per annum.	Total Special Rate.	Annual Assessment during each year for 5 years.

4. The sum of \$221.53, the amount assessed against the said roads of the Municipality of the Township of Raleigh, shall be paid by the Treasurer of this Municipality out of the general funds of the Municipality.

5. This By-law shall be printed and published in the Chatham Banner Newspaper for four weeks previous to the final passing thereof, and copies of the same shall be served upon the heads of the other municipalities liable to contribute towards the cost of the said work; and shall come into force upon and after the final passing thereof and may be cited the "Mud and Indian Creek Drains Repair By-law No. 654."

Passed 15th June, A. D. 1896.

J. G. STEWART, Clerk.

(Seal.)

R. J. MORRISON, Reeve.

BY-LAW No. 655,

of the Township of Raleigh.

A BY-LAW to provide for the repair, improvement and maintenance of Drainage Works in the Township of Raleigh, in the County of Kent, known as Government Drain No. Two, and for borrowing on the credit of the Municipality the sum of \$5775.51, being the proportion to be contributed by the said Municipality for completing the same.

PROVISIONALLY ADOPTED the 10th day of February, 1896.

WHEREAS, Government Drain No. Two is a drainage work originally constructed under the provisions of Acts then in force respecting drainage by local assessment.

AND WHEREAS, certain owners of lands assessed for the said Drainage Works have given notice that their lands are injuriously affected by overflows from said drain.

AND WHEREAS, it was deemed expedient for the better maintenance of said drain, and to prevent damage to lands and roads, to enlarge or otherwise improve the said drain, and with that object the council of the Township of Raleigh appointed W. G. McGeorge, O.L.S., (being a person competent for such purpose,) to examine and report upon the same.

AND WHEREAS, the said council has procured such examination to be made by the said W. G. McGeorge of the said drain, and of the area to be affected by the proposed work, and of the lands and roads liable to assessment under the Drainage Act, 1894, and has procured plans and specifications and estimates of the said drainage work to be made by the said W. G. McGeorge, and an assessment to be made by him of the lands and roads to be benefitted by such Drainage work, and of other lands and roads liable for contribution thereto, stating as nearly as he can the proportion of benefit, outlet liability and injuring liability which, in his opinion, will be derived or incurred in consequence of such Drainage work, by every lot or portion of lot; the said assessment so made, being the assessment hereinafter set forth as part of the report of the said engineer, together with that hereinafter by this by-law enacted to be assessed and levied upon the roads and lots or parts of lots hereinafter in that behalf specially set forth and described, the description, extent and estimated cost of the work to be done and the amount to be contributed therefore by each municipality affected by the Drainage work, being fully set forth in the report of the said W. G. McGeorge hereinafter set forth, and the said report of the said W. G. McGeorge in respect thereof, and of the said Drainage work being as follows:

Chatham, 30th Dec., 1895.

TO THE REEVE AND MUNICIPAL COUNCIL OF THE TOWNSHIP OF RALEIGH.

GENTLEMEN,--Having been appointed by your Honorable Body to examine and report on the Number Two Government Drain, in the Township of Raleigh, or any part thereof which it may be the duty of the municipality to maintain, and of the lands affected thereby, and of the repairs or other improvements which, in my opinion, will be required for the proper or better maintenance of the works and the relief of any lands affected thereby, and to make plans, specifications and estimates of the work re-

reported or recommended by me, and to make an assessment therefor upon all lands and roads and municipalities in any way liable to contribute for the completion thereof, I beg to report that I have made such examination, and I respectfully submit this my report thereof.

The Government Drain Number Two extends along the 6th and 7th concessions road in Raleigh, from a point near the 18 and 19 sideroad to a point at lot 7, thence it crosses said concession road, and passes through lot 7, in the 6th concession, to the Drake road, thence across the Drake road to the west side thereof, then northwesterly along the westerly side of the Drake road to the Raleigh Plains Drain, and I purpose curving the end into lot 6, in the 4th concession, to unite the current flow of the two drains.

The Government drain is now separated into three distinct sections, one having its outflow in the Raleigh Plains drain, at lot 13, one in the Bell drain, and one at the Drake road. This last is the section now requiring to be dealt with under the complaint of George Linnen and others, and is that with which this report has to do, and extends from the Kersey drain near the middle of the front of lot 9 to its outfall into the Raleigh Plains drain. This part receives as its tributaries the Kersey, Cooper or Hickey, Rice, Stewart and Dyke drains—the Kersey and Cooper or Hickey being much the largest, and landing their waters at the 6th and 7th concessions road, and leaving the lands along the government drain to suffer. The Government Drain is not now nearly equal to the task of leading these waters away, and the complaints of overflow are fully justified, and I recommend that it be repaired and improved to the data furnished in the specifications herein, and in the accompanying plan and profile, which are to be taken as forming part of this my report. The Cooper or Hickey has a top width of 25 feet, and a bottom width of 12 feet at some distance above the junction, and extends from the Talbot road lots in Tilbury East with a rapid fall, and has been repaired and enlarged to the Government drain, without improving this last named drain.

From sta. 1 to sta. 23, a distance of 192 rods, at \$6 per rod.....	\$ 1152 00
From sta. 23 to sta. 69, a distance of 216 rods, at \$7 per rod	1512 00
From sta. 69 to sta. 139, a distance of 366 rods, at \$6 per rod	2196 00
From sta. 139 to sta. 150, a distance of 120 rods, at \$7 per rod	840 00—5700 00
For spreading earth to widen road from sta. 1 to sta. 34½, a distance of 201 rods, at 50 cents per rod	100 50
For spreading earth to make road from sta. 69 to sta. 149, a distance of 480 rods, at 50 cents per rod	240 00— 340 50
To acquire land for the deposit of the excavated earth and widen out the 6th and 7th concession road and Drake Road, and moving fence, etc., and for spoil bank as per list	669 00
Shields to divert current at the Raleigh Plains drain	75 00
For the construction and enlargement of bridges to afford access from the lands of owners to the travelled part of the public highway under sub-section 2 of section 9 of the Drainage Act, as per list	170 00
For the construction and enlargement of bridges, and to be paid to the respective owners entitled thereto under sub-section 3, of Section 9, of the Drainage Act, as per list.....	70 00
For 4 highway bridges, one at the 5th and 6th concession road, and one at the 4th and 5th concession road, and one at the 6th and 7th concession road, and one on the Drake road crossing, half charged to the Municipality of Raleigh, and half to the Drainage Work	500 00
To these add for survey, plans, report, etc., in duplicate.....	110 00
Assistants in survey	12 75
Publishing by-law, Raleigh	100 00
Publishing by law, Tilbury East.....	30 00
Letting and superintending and other commission's work.....	150 00
Clark's fee, Raleigh.....	40 00

Clerk's fee, Tilbury East	10 00
Registering By-law and Debentures, and publishing notice of same, Raleigh	5 00
Registering By-law and Debentures and publishing notice of same, Tilbury East	5 00—\$462 75
Making a total of	\$7987 25

Where the drain runs along the 6th and 7th concession road and along the Drake road, the placing of the bulk of the excavated earth on the lands across the drain from the travelle road would be a serious damage and inconvenience to the owners, and as it is these roads are too narrow and are unsafe for public travel, owing to this, and I provide for acquiring a strip of land 40 links wide along the side of the road opposite to that on which the drain lies, on which to deposit the excavated earth, and for spreading it out to widen the wagon way. I append a list of these lands and of lands for the spoil bank, and of bridges under sub-sections 2 and 3 of Section 9, of the Drainage Act.

In the annexed schedules I assess the cost of the work against the lands, roads and municipalities liable therefore.

The drain, when completed, to be kept in repair and maintained at the expense of the lands, road and municipalities assessed for the work herein reported on. Said lands, roads and municipalities paying in the same relative proportion as for said work. \$250 of the assessment on the 6th and 7th concessions road, Raleigh, and \$700 of the assessment on the Drake road in this report, to be omitted in the consideration for repair as not pertaining to the drainage work proper.

I have the honor to be, gentlemen,

Your obedient servant,

(Signed)

W. G. McGEORGE.

List of lands required to widen road for deposit of earth at Government Drain Number Two, of Raleigh, being a strip forty links wide along the north side of the 6th and 7th concessions road and the east side of the Drake road. Also, a list of the lands to be taken in improving the drain, and for injury by the spoil bank, and an estimate of compensation for the same, including moving of fences:

 Bridge on s hf s hf lot 7, in 9th con., P. Kearns..... 35 00

\$70 00

SPECIFICATIONS.

The bottom width of the drain will be not less than is given in the profile.

The top width shall be not less than would be derived by giving the sides a slope of 1 to 1 with the given bottom width.

The bottom elevation shall not rise above that given in the profile, and the sides of the drain shall not intrude into the cut beyond the line of slopes of 1 to 1 derived from said bottom width and given depth.

The excavated earth shall be cast four feet clear of the drain, and where the drain is along a road it shall be uniformly levelled to make a wagon way of at least 30 feet on the side of the drain of the present wagon way, excepting that from Station 148 to Station 150, it shall be placed where the Commissioner may direct to form the road, and to form the backing of the diverting shield to guide the current of the Government Drain to properly unite with that of the Raleigh Plains drain.

It is provided, however, that where the drain runs along the Drake Road, about one-third of the earth excavated at any point may be placed to form an embankment on the land at the west side of the drain, if the owner of the land on that side so desires and makes requisition to that effect in writing to the Commissioner in charge of the work, and prepares the ground to receive the earth by the removal of fences and other obstructions.

Where the drain is not along the road the earth shall be cast on either or both sides of the cut with a berm of not less than four feet, and shall be suitably levelled for travel on any farm crossing or lane, and all public or private drains shall be kept clear unless under other directions from the Commissioner in charge of the works.

All timber or brush removed in the work shall be got rid of without damage to anyone.

		Total for outlet liability				\$1179 34
		Roads of Municipality				22 40
						\$1211 74

AND WHEREAS the said Council are of opinion that the said work of repair, enlargement and improvement is desirable.

AND WHEREAS the amount to be contributed towards said work by the Township of Tilbury East, is the sum of \$1211 74, and whereas the total estimated cost of said work is \$7987.28, the balance of which, namely \$6775.51 is to be contributed by the Township of Raleigh.

THEREFORE the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of the Drainage Act, 1834, enacts as follows:

1. The said report, plans and specifications, assessment and estimates are hereby adopted, and the drainage work as therein enacted and set forth, shall be made and constructed in accordance therewith.

2. The Reeve of the said Township of Raleigh may borrow on the credit of the Corporation of the said Township of Raleigh the sum of \$6775.51, being said municipality's proportion of the funds necessary for the said improvement, and may issue debentures of the Corporation to that amount in sums of not less than \$50 each, and payable within fifteen years from the date thereof, with interest at the rate of 4 1/2 per centum per annum, that is to say, in fifteen equal annual instalments, such debentures to be made pay-

able at the Canadian Bank of Commerce, in the City of Chatham, in the County of Kent.

3. For paying the sum of \$733 00, the amount charged against the said lands for benefit, and the sum of \$4508 95, the amount charged against the said land for outlet liability, apart from roads belonging to or controlled by the Municipality, and for covering interest thereon for fifteen years at the rate of 4½ per centum per annum, the following total special rates over and above all other rates, shall be assessed, levied and collected (in the same manner and at the same time as other taxes are levied and collected) upon and from the undermentioned lots and parts of lots and roads in and under the jurisdiction of the Council of the Township of Raleigh, and the amount of said total special rate and interest against each lot or part of lot respectively, shall be divided into fifteen equal parts, and one such part shall be assessed, levied and collected as aforesaid in each year for fifteen years after the final passing of this By-law during which the said debentures have to run.

SCHEDULE of assessment on Lands and Roads in the Township of Raleigh for the repair and improvement of Government Drain No. 2 in said Township.

No. 656—A BY-LAW

To assess and levy rates for County, Township and School purposes, for the year 1896.

BE IT ENACTED by the Municipal Council of the Corporation of the Township of Raleigh, in the County of Kent:—

1. That the following sums shall be levied and collected upon and from all the rateable property of the Township of Raleigh, in the year of our Lord 1896.

(1.) The sum of \$5048.86 for the general purposes of the County of Kent, by a rate of 2 1-10 mills in the dollar.

(2.) The sum of \$5000 for the general purposes of the Township of Raleigh, as per schedule "A" hereunto annexed, by a rate of 2 mills in the dollar.

(3.) The sum of \$2278 50, being the amount required to be raised for each School Section by general rate, as provided in Section 66 of The Public Schools Act 1856, exclusive of the property of certain supporters of Separate Schools, by a rate of 1 1-10 mill in the dollar.

2. That the Clerk of this Corporation is hereby required to levy a special rate (over and above all other rates) upon, and which shall be collected from all the rateable property included in each and every School Section, the trustees of which shall furnish him, on or before the 24th day of August, with a written statement signed by the Secretary-Treasurer and certified by the seal thereof, of the amount required for Public or Separate School purposes respectively in each School Section (less the amount required to be raised, as aforesaid, by general rate) such a rate pro rata as will amount to the sum so required as near as may be; and the Treasurer of this Corporation is hereby authorized and instructed to pay to the order of the Secretary-Treasurer or Trustees of each School Section all moneys so levied and credited to each School Section.

3. That the rates so imposed by this By-law shall be collected by the Collector of Rates for the said Township of Raleigh, and paid over to the Treasurer of this Corporation in bankable funds on or before the Fourteenth day of December, A. D. 1896, in so far as the law will enable him so to do, unless otherwise ordered by this Council.

4. That Harvey Jenner be, and he is hereby appointed Collector of Rates for the said Township of Raleigh during the current year, and until the said rates are all collected and a due return made to the Treasurer of this Corporation, (the amount so collected to be paid over to the Treasurer at least every two weeks) conditionally upon his furnishing bonds duly executed by himself, and good and sufficient sureties to be approved by this Council, in the sum of Ten Thousand Dollars. And for the due performance of these and all duties of Collector as provided by the statutes of

Ontario and the By-laws of this Municipality, he shall be paid the sum of one hundred and twenty dollars inclusive of all duties that do or may pertain thereto.

Finally passed this tenth day of August, 1896.

J. G. STEWART, Clerk.

No. 657—A BY-LAW

To appoint an Engineer to receive the Raleigh Plains Drain from the Contractors.

WHEREAS it is expedient to appoint an Engineer for the purpose of examining the work performed by the Chatham Dredging Company on the Raleigh Plains Drain, and to report the completion of the same when performed according to the specifications.

And whereas Angus Smith, O. L. S., of the Town of Ridgetown, is a fit and competent person for such purpose.

Therefore the said Council of the Corporation of the Township of Raleigh enacts as follows:—

1. That Angus Smith, O. L. S., be, and he is hereby appointed Engineer to examine and report from time to time as the Raleigh Plains Drain is completed according to the specifications thereof, as shown in the contract with the said Company and the By-law of the Corporation authorizing the work.

Read a third time and passed this Seventh day of September, A. D., 1896.

As amended by By-Law No. 660. A By-Law to appoint Deputy Returning Officers and to Provide Polling Places for holding elections in the Township of Raleigh during the year 1897. Also to appoint a place for holding nominations therefore.

The Municipal Council of the Corporation of the Township of Raleigh enacts as follows :

1. In case a poll be demanded by any candidate or elector at the nomination of candidates for the office of Reeve, Deputy-Reeve and Councillors of the Municipality during the year 1897, the elections shall take place and be held in the several polling sub-divisions of the Municipality as provided by law, and at the following places, that is to say :—

In Polling Sub-division No. One—At the School House in Union School Section No. Six.

In Polling Sub-division No. Two—At the School House in School Section No. Three.

In Polling Sub-division No. Three—At the South School House in School Section No. Four.

In Polling Sub-division No. Four—At the School House in School Section No. Thirteen.

In Polling Sub-division No. Five—At the Separate School House in School Section No. Five.

In Polling Sub-division No. Six—At the Cheese Factory in the Village of Merlin.

In Polling Sub-division No. Seven—At the Foresters' Hall in the Village of Buxton.

In Polling Sub-division No. Eight—At the School House in School Section No. Eight.

In Polling Sub-division No. Nine—At the School House in School Section No. Nine.

In Polling Sub-division No. Ten—At the School House in School Section No. Ten.

2. The following named persons are hereby appointed Deputy-Returning Officers to hold any Municipal election required to take place in the several polling sub-divisions as aforesaid during the year 1897, viz.:—

In Polling Sub-division No. One—Donald McPherson.

In Polling Sub-division No. Two—Joseph J. Payne.

In Polling Sub-division No. Three—Elbert S. Dyke.

In Polling Sub-division No. Four—George B. Shreeve.

No. 659.—A BY-LAW

To provide for the construction of the Chinnick Drain in the Township of Raleigh, in the County of Kent, and for borrowing on the credit of the Municipality the sum of \$2,311.70 for completing the same.

Provisionally adopted the Twentieth day of April, 1896.

WHEREAS the majority in number of the resident and non-resident owners (exclusive of farmers' sons not actual owners), as shown by the last revised assessment roll, of the property hereinafter set forth to be benefitted by the proposed drainage work, have petitioned the Council of the said Township of Raleigh, praying that the area of land described in the said petition, and including the north halves of lots 13 to 18 in the Fifth Concession, and lots 12 to 21 in the Sixth Concession be drained by means of a drain, following as near as may be the natural watercourse running through said lots in the Sixth Concession.

And whereas, thereupon, the said Council has procured an examination to be made by W. G. McGeorge, O. L. S., being a person competent for such purpose, of the said area proposed to be drained, and the means suggested for the drainage thereof, and of other lands and roads liable to assessment therefore, and has also procured plans, specifications and estimates of the drainage work to be made by the said W. G. McGeorge, and an assessment to be made by him of the lands and roads to be benefitted by such drainage work, and of other lands and roads liable for contribution thereto, stating as nearly as he can, the proportion of benefit, outlet liability and injuring liability which, in his opinion, will be derived or incurred in consequence of such drainage work by every road and lot, or portion of lot, the said assessment so made, being the assessment hereinafter by this by-law, enacted to be assessed and levied upon the roads and lots, or parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said W. G. McGeorge in respect thereof, and of the said drainage work, being as follows:

Chatham, March 25th, 1896.

Having been instructed, under a resolution of your Honorable Body, to make an examination of the area proposed to be drained under the petition of James Chinnick and others, and to report as to the means suggested for the drainage thereof, with plans, specifications and estimates of the drainage work so reported on, and to make an assessment therefor of the lands and roads benefitted by such drainage work, and of other lands and roads liable for contribution thereto under the Drainage Act. I beg to report that I have made such examination and a survey of the drain asked for in the petition, and have planted stakes and taken levels to guide in its construction.

The petition asks for the deepening and clearing out of the watercourse known as the Indian Creek from lot 21 in the 3rd Concession on E. B. L. to the road between Concessions 5th and 6th, thence along said road to the Raleigh Plains Drain, and according to Mr. Coad's plans, excepting that the drain shall be two feet or thereby of less depths.

I have endeavored to work as closely as possible to the views of the petitioners, and would say that the drain as now planned, while not so deep as I would like to see it made, will well repay the expenditure involved and will remove the stagnant waters of the creek, which is what is chiefly desired, and will form the basis for a further deepening which can be easily made when the muck of the creek bed has settled down from this initiatory work.

This work will benefit lands assessed and afford an outlet for numerous farm drains in this locality. Aside from this it would be justified on the score of health alone.

It will begin at the line of lots 20 and 21 in the 3rd Concession, E. B. L., in the bed of the Indian Creek, and will thence run, as shown on the plan accompanying this my report, through said lot 20 and through lots 19, 18, 17, 16, 15, 14, 13 and 12 in the 6th Concession, following the course of Indian Creek, thence along the southerly side of the 5th and 6th Concessions Road to the 12 and 13 Side Road at the jog, thence southeasterly in Government Drain No. 1, the depth of the jog, then crossing the 12 and 13 Road and along the southerly side of the 5th and 6th Concessions Road to the new cut of the Raleigh Plains Drain.

The excavated earth will be cast three feet clear of the drain, and where the drain runs through the lands of owners, the earth will be spread sufficiently for easy cultivation. Where it crosses a public road it will be spread suitably for easy public travel, and where the drain runs along a public road it will, with the consent of the council, be spread on the road suitably for public travel, and to a width of twenty feet; all opening through the road to the north to be filled to a uniform level with the road at each side of the opening, and all old timbers of the culverts at these openings to be removed and carefully piled up for future use by the Council and as directed by the Commissioner in charge of the work.

By the words "side of the road" is meant, side of the travelled part of the road.

The drain to be made to accord with the data furnished on the profile accompanying this, my report.

My estimate of the cost of the work is as follows:—

From Station 0 to Station 10, a distance of 60 rods, at 80c. per rod.						\$48 00

Making a total of.\$2311 70

This sum I assess as in the annexed Schedule against the lands and roads benefitted and using the drain as an outlet.

I have the honor to be, Gentlemen, your obedient servant,

W. G. McGEORGE.

And Whereas the said council are of opinion that the drainage of the area described is desirable :—

Therefore the said Municipal Council of the said Township of Raleigh, pursuant to the provisions of "The Drainage Act 1894," enacts as follows :

1st. The said report, plans, specifications, assessments and estimates are hereby adopted and the drainage work as therein indicated and set forth shall be made and constructed in accordance therewith.

2nd. The Reeve of the said Township may borrow on the credit of the Corporation of the said Township of Raleigh, the sum of \$2,311.70, being the funds necessary for the work not otherwise provided for, and may issue debentures of the Corporation to that amount in sums of not less than \$50 each, and payable within ten years from the date thereof, with interest at the rate of five per centum per annum, that is to say, in ten consecutive equal annual payments, such debentures to include principal and interest without coupons, and to be payable at the Canadian Bank of Commerce in the City of Oshawa.

3rd. For paying the sum of \$1503 34, the amounts charged against the said lands for benefit, and the sum of \$433.13 the amounts charged against the said lands for outlet liability, apart from lands or roads belonging to or controlled by the Municipality, and for covering interest thereon for ten years at the rate of five per centum per annum, the following total special rates, over and above all other rates shall be assessed, levied and collected (in the same manner and at the same time as other taxes are levied and collected) upon and from the undermentioned lots and parts of lots and roads, and the amount of the said total special rate and interest against each lot or part of lots, respectively, shall be divided into ten equal parts, and one such part shall be assessed, levied and collected, as aforesaid, in each year for ten years after the final passing of the By-law, during which the said debentures have to run.

SCHEDULE of Assessment on Lands and Roads in the Township of Raleigh for the construction of the Chinnick Drain for benefit and for outlet.

Concession.	Lot or Part Lot.	Acres.	Assessed Owner.	Value of Benefit.	Value of outlet liability.	As amended by Court of Revision.	Total as amended by Judge.	To cover interest for 10 years at 5 per cent.	Total special rate.	Annual assessment during each year for 10 years.

4th. To pay the sum of \$375.23, the amount assessed against the said roads and lands of the municipality, and for covering interest thereon for ten years, at the rate of five per centum per annum, a special rate on the dollar sufficient to produce the required yearly amount thereof, shall (over and above all other rates) be levied and collected in the same manner and at the same time as taxes are levied and collected, upon and from the whole rateable property in the Township of Raleigh, in each year for ten years after the passing of the By-law, during which the said debentures have to run.

5th. James Chinnick is hereby appointed Commissioner to let the contract or contracts for the said drainage work and works connected therewith, by public sale to the lowest bidder (not exceeding the estimate); but every such contractor, with one good and sufficient surety, shall be acquired forthwith to enter into bonds for the due performance and completion of such contract according to said plans and specifications, and within the time mentioned in such bond (unless otherwise ordered by the Council), and it shall be the duty of the said Commissioner to cause the said works to be made and completed in accordance with such plans and specifications, and to grant orders on the Treasurer to each contractor, less twenty-five per cent. of the amount due, until the contract is fully completed and duly accepted by a competent engineer; and for the due performance of these and all duties of Commissioner, he, the said Commissioner, shall be paid the sum of fifty dollars.

6th. This By-law shall be published as provided in Section 22 of the Drainage Act, 1894, and shall not come into force upon and after the final passing thereof, and may be cited "The Chinnick Drain By-law."

Read a third time and passed this Thirtieth day of November, A. D. 1896.

No. 660—A BY-LAW

To amend By-law No. 658, which see as amended.

No. 661—A BY-LAW

To appoint certain Municipal Officers.

The Municipal Council of the Township of Raleigh, in the County of Kent, enacts as follows:

1. The following named persons are hereby appointed Commissioners of Rural Road Divisions and Watercourses, viz:

In the First Rural Road Division, James Chinnick.

In the Second Rural Road Division, Albert H. White.

In the Third Rural Road Division, George McKay.
 In the Fourth Rural Road Division, Letson A. Pardo.
 In the Fifth Rural Road Division, James Clayton.

2. The following named persons are hereby appointed a Local Board of Health, under the provisions of the Public Health Act and amendments thereto, viz:—

Albert H. White, chairman, (ex-officio).

J. G. Stewart, Secretary, (ex-officio.)

S. N. Young, M. D., Medical Health Officer.

James Ohinnick, one year; Nelson H. Shepley, two years; Letson A. Pardo, three years.

The said Medical Health Officer and Secretary shall each be paid a salary of Fifteen Dollars per annum, and each member of the Board shall be paid Two Dollars per day for each day he is called upon to act.

3. The following named persons are hereby appointed Auditors, viz: James N. Halliday, nominated by the Reeve, and Albert E. Robinson, nominated by the Council, who, in consideration of the sum of Twelve Dollars each per annum shall perform all the duties required by Section 263 of the Consolidated Municipal Act 1892.

4. James R. Irving is hereby appointed Assessor, who, in addition to the duties required under the provisions of the Assessment Act, shall perform all the duties required under Section 11, of the Truancy Act, and equalizing of Union School rates, and the said Assessor, for such duties duly performed, shall be paid the sum of Ninety Dollars.

Passed in open Council this Eleventh day of January, A. D. 1897.

A. H. WHITE, REEVE.

No. 662—A BY-LAW

To appoint a Commissioner to superintend the work of repairing the machinery of the Pike Pump, and to operate and maintain the same.

Whereas, the wheel and machinery operating the pump of the Pike Drainage Works are in need of repair so as to be able to perform the work it was intended to perform.

Therefore it is enacted by the Municipal Council of the Township of Raleigh, in the County of Kent, that Charles Crow be appointed Commissioner with power to make all necessary contracts, and purchase all necessary material, and employ all necessary labor that may be required to make such temporary repairs as may be necessary to provide for the drainage of the lands included in the Pike Drainage Scheme, until a permanent scheme be decided upon, and to report to this Council all accounts in connection with the said work, which shall be passed upon by this Council.

Read a third time and passed this Eleventh day of January, A. D. 1897.

No. 664—A BY-LAW

Respecting the Office of Clerk.

The Municipal Council of the Township of Raleigh, in the County of Kent, enacts as follows :

1. John G. Stewart is hereby re-appointed Clerk of the Municipality of the Township of Raleigh.

2. The said John G. Stewart shall truly record in a book, without note or comment, all resolutions, decisions, and other proceedings of the Council and if required by any member present shall record the name and vote of every member voting on any matter submitted, and shall keep the books, records and accounts of the Council, and shall preserve and file all accounts acted upon by the Council, and also the originals or certified copies of all by-laws and of all minutes of the proceedings of the Council, all of which he shall so keep in his office or in the place appointed by By-law of the Council.

3 The said John G. Stewart shall be paid for his services the sum of Five Hundred and Fifty Dollars per annum, to be paid by four equal quarterly instalments of \$137.50 each, which sum shall include all duties required to be performed by the Clerk under the Municipal Act; the Assessment Act, the Drainage Act, the Ditches and Watercourses Act, the Tile Drainage Act, the Voter's Lists Act, the Public Schools Act, the Separate Schools Act, and by any By-law or resolution of Council for this municipality. The said Clerk to be repaid all disbursements necessarily incurred by him in the discharge of his duties.

4. The said Clerk shall hold office during the pleasure of the Council.

No. 666—A BY-LAW

To appropriate certain sums of money for the improvement of the Roads and Bridges in the Township of Raleigh.

The Municipal Council of the Township of Raleigh, in the County of Kent, enacts as follows:—

1. The following sums are hereby appropriated for the improvement of the Roads and Bridges in the Township of Raleigh, that is to say:

In the First R. R. Division, the sum of Two Hundred Dollars.
 In the Second R. R. Division, the sum of Two Hundred Dollars.
 In the Third R. R. Division, the sum of Two Hundred Dollars.
 In the Fourth R. R. Division, the sum of Two Hundred Dollars.
 In the Fifth R. R. Division, the sum of Two Hundred Dollars.

The Commissioners of the said R. R. Divisions respectively shall expend the same.

On the Townline between Raleigh and Harwich, the sum of One Hundred Dollars. A. H. White to be Commissioner to expend the same.

On the Townlines between Chatham and Raleigh the sum of Twenty-five Dollars. Jas. Ohinnick to be Commissioner to expend the same.

On the Townline north between Raleigh and Tilbury East, the sum of Fifty Dollars. A. H. White to be Commissioner to expend the same.

On the Townline south between Raleigh and Tilbury East, the sum of Fifty Dollars. Geo. McKay to be Commissioner to expend the same.

Provided that the said sums so appropriated are conditional on equal amounts being appropriated for the said purposes respectively by the adjoining municipalities.

2. The following sums accruing due from Statute Labor tax, shall be expended in the several statute labor divisions from which they were collected, as reported by the Clerk, that is to say:—

In the first R. R. Div., the sum of \$56.16.
 In the second R. R. Div., the sum of \$30.60.
 In the third R. R. Div., the sum of \$27.50.
 In the fourth R. R. Div., the sum of \$31.24.
 In the fifth R. R. Div., the sum of \$31.35.

The Commissioners of the said R. R. Divisions shall superintend the expenditure of the same within their respective divisions.

3. It shall be the duty of the said Commissioners to expend the sums hereinbefore appropriated for the purposes and in the manner herein provided, and they are hereby authorized to grant orders on the Treasurer of this Corporation to persons filling contracts thereon, not exceeding the amounts so appropriated for such purposes respectively, less the amounts hereinafter specified as overdrawn by the respective Commissioners of the

previous year, stating on each order the nature of the work done and where it was performed. Provided always, that no Commissioner shall exceed the amounts hereinbefore appropriated, without first having obtained the consent of the Council and the Treasurer notified thereof by the Clerk.

4. It shall be the duty of the Treasurer to charge the respective accounts with the following sums shown, by the Auditor's report, to be overdrawn, viz :

In R. P. Division No. 5 the sum of \$316.81.

Passed in open Council this first day of March, 1897.

J. G. STEWART, Clerk.

A. H. WHITE, Reeve.

No. 667—A BY-LAW

To amend By-law No. 655 intituled "A By-law to provide for the repair, improvement and maintenance of Drainage Works in the Township of Raleigh, known as Government Drain No. 2

Whereas R. J. Morrison was appointed Commissioner on Government Drain No. 2.

And whereas the said R. J. Morrison has since been elected a County Councillor.

And whereas it is therefore necessary to appoint another Commissioner in his place.

Therefore the Municipal Council of the Township of Raleigh enacts as follows :

1 That Albert H. White be, and he is hereby appointed Commissioner on Government Drain No. 2 in place of the said R. J. Morrison, and that the said By-law No. 655 be amended accordingly.

Read a third time and passed this First day of March, A. D., 1897.

J. G. STEWART, Clerk.
